The Village is requesting sealed bids for the road through Nichols Park from Park Street to the parking lot next to the tennis courts. The road is one-lane (12 feet wide) and approximately 245 yards long

The work must meet or exceed the following requirements:

- a) Block traffic using traffic cones or barricades.
- b) Remove installed speed bumps (they are bolted in place).
- c) True and level the ruts with type 6 asphalt.
- d) Clean & prep – power broom the entire road.
- e) Mill transition joints at intersections with Park Street and the parking lot.
- f) Apply tack coat for bond, 0.1 to 0.15 gallons per square yard.
- g) Apply 2” compacted thickness of Type 6 asphalt.
- h) Reinstall speed bumps.

Please specify proposed completion date. The successful bidder must abide by the New York State Prevailing Wage Schedule for Public Works Projects.

Sealed bids will be opened on August 16, 2022 at the 5:30PM in the Village Municipal Building.
